- Stylish and modern design
- Decorative up- and downlight effect
- Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

Tin is a stylish and modern outdoor wall light in a streamlined design – a gorgeous outdoor light for the front door, terrace or near the carport. The lamp has both an upward and downward facing light, which creates a beautiful and decorative effect.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
