# Radio Frequency Radiation Detection

RF Detection: WIFI, Bluetooth, Radio Equipment

# 3 Measurement Modes Ready for Every Situation

## RF

Routers, Mobile Phone,  
Bluetooth Devices...

## MF

Refrigerator,  
Air Conditioner,  
Washing Machines...

## EF

Microwave, Laptop,  
TV, Game Consoles...

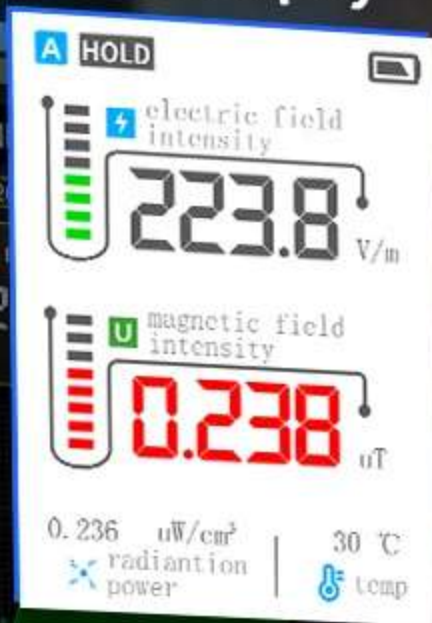

# Day & Night Display Mode

Stay sharp - see every radiation changes clearly no matter what the situation.

## 2 Display Mode

### White Display

### Black Display

# Customizable Alert Thresholds

When the electric field  $>40\text{V/m}$  or magnetic field  $>0.4\mu\text{T}$ , the device alerts automatically. Customize thresholds in settings.

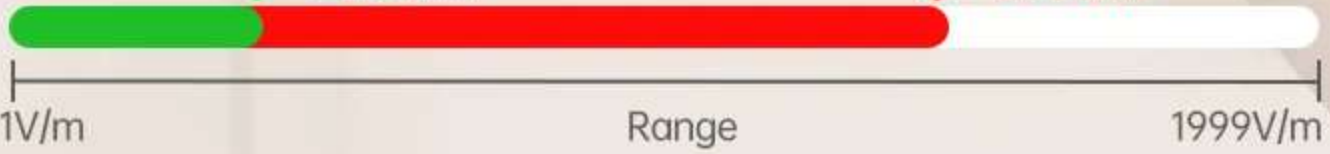

**Safe** Exceeded

## E-Field

 Within Alarm Threshold  
 $\leq 40\text{V/m}$

 Exceeded Alarm Threshold  
 $295\text{V/m}$

## E-Field

 Within Alarm Threshold  
 $\leq 0.4\mu\text{T}$

 Exceeded Alarm Threshold  
 $3.68\mu\text{T}$

# Product Parameters

Parameters	Specification
Item No.	ERD-10
Screen Material	2.4 inches
Backlight	Brightness adjustable
Charging Power	TYPE-C (5V/1A)
Battery	1000mAh
Languages	Chinese/English
Product Size	$\approx 143 \times 68 \times 29$ mm
Product Weight	$\approx 143$ g

# Accessories List
