Name: Vacmaster Multi 20 PTO

SKU: VQ1220PFC-01

EAN: 6939349502064

Key Features:

Power take-off socket for extracting dust as you sand or drill. Plug in your power tool and connect up the suction hose to remotely operate the vacuum cleaner from the power tool.

Turn your vacuum cleaner into a powerful blower by connecting your suction hose to the exhaust port.

Quick-lock hose connection provides an easy and fast connection method, providing added security to avoid accidental disconnection.

Wide-stance plastic casters ensure extra stability as you're working. Allowing you to move across different floor surfaces with ease.

With a 2.5m flexible hose and 3 friction fit plastic tubes, the Multi 20 provides a working reach of approx. 7.5m
