4. Transportation and Installation

The sofa is shipped in a vacuum-compressed state to save space and ensure safe delivery.

Upon arrival, carefully unpack the sofa without using sharp tools that could damage the fabric.

Place the sofa in the desired location on a flat surface.

Allow the sofa to expand naturally in a well-ventilated area. Full recovery to its original shape may take 48-72 hours depending on the environment.

5. Instructions for Use and Precautions

Indoor Use Only: This sofa is intended for indoor residential or office use.

Proper Use: Sit or recline gently. Do not stand, jump, or place heavy or sharp objects on the sofa to prevent damage to the memory foam or corduroy cover.

Keep Away from Fire: Do not place near open flames or high-heat sources.

Children: Supervise small children to avoid improper use or accidents.

6. Maintenance and Care

Daily Cleaning: Use a vacuum cleaner or lint roller to remove dust and debris from the corduroy surface.

Spot Cleaning: Gently blot any spills with a damp cloth; do not soak the fabric. Allow to air dry completely.

Non-Removable Cover: The cushion covers are fixed and should not be removed. Avoid forceful pulling or attempts to unzip.

Long-Term Care: If storing for an extended period, cover the sofa with a breathable cloth and keep it in a dry, cool place away from direct sunlight and moisture.
