**PROFESSIONALS
USE WALTHER STRONG**

“A lot of our success is down to your fabulous products - we are very positive and excited for the future with Walther Strong and thank you for being part of our journey”

**“Has Rilicone gone well for you?”
“YES it has indeed and it has taken centre stage on our silicone shelf with the spray and spatula set. The feedback has been great, and one particular customer will not be using anything else. 😊”**
