Choose your material

When it comes to finding the right outdoor furniture for your garden, it's a good idea to think about the material it's made of. Consider things like style, durability, space and maintenance to find your perfect set.

Rattan effect

For a luxurious and comfortable seating space, you can't do better than our rattan effect furniture. These sets are durable, weather resistant and lightweight, with cushions for added comfort.

Wood

Crafted from sustainably sourced, forest-friendly timber, our wooden furniture ranges are a timeless addition to any garden. For smaller spaces, our fold-up styles are easy to stash away in winter.

Metal

Durable, weather resistant and incredibly low maintenance, metal furniture is a great choice for any outdoor space. This furniture is easy to clean and adds a modern feel to your garden.

Plastic

Affordable and easy to clean, plastic furniture is the perfect low-maintenance option for your garden. These ranges often incorporate bright colours, and are easy to store during the winter months.

GoodHome Hamilton

Add a touch of elegance to your outdoor space. With a stylish rattan design and deep seating, the Hamilton range includes furniture for every occasion. A rust-free aluminium frame and stain-repellent cushions make these sets easy to maintain. **Home delivery only.**

Small space living

For balconies and small gardens, our range of bistro and coffee sets are perfect for creating a relaxed, compact seating area. Specially designed for smaller spaces, these styles often include clever storage solutions, like stackable chairs.

Space-saving sets

These stylish two-seater sets are great for entertaining in smaller spaces. For an easy-to-store option, the Cony set includes chairs that can be stored neatly under the table.

Stacked away

These Pilares chairs stack neatly on top of each other, freeing up space when the dining is done.

Choose your barbecue type

Nothing says summer like the sizzle of food cooking on a barbecue for a delicious feast. Finding the right barbecue for you is a personal choice and each one has its own unique way of cooking, but the result is always the same: tasty food and great memories.

Charcoal

If you love an authentic barbecue flavour, then the charcoal model is for you. They take a little more time to get ready, but that's just part of the fun.

Gas

For a no-fuss al fresco meal and easy-to-control temperature settings, choose a gas barbecue. They're effortless to assemble and simple to clean.

Wood pellet

If you're a fan of woody, smoky flavours, choose a wood pellet grill. You can switch up the wood pellets you use for different tastes.

Electric

Usually small and compact, this style of barbecue is ideal if you don't have much space to work with, making them great for a balcony garden.

Charcoal barbecues

Cooking on a charcoal barbecue gives the food a delicious smoky flavour, perfect for sunny days.

Chimineas, firepits and outdoor lighting

Chimineas	74
Firepits	75
Outdoor lighting	76

Light up your garden

Transform your garden into a relaxed, inviting space with our range of chimineas, firepits and lighting – perfect for the summer nights that you never want to end.

Chimineas

Enjoy the warmth of a real fire with our range of chimineas. As well as keeping you warm on colder days, some chimineas can also be used as a barbecue by removing the top section.

Firepits

Creating a warming centrepiece in your outside space, firepits are a great way to keep outdoor gatherings going for longer, with a rustic style that looks great anywhere.

Lighting

A garden essential, lighting helps you navigate your outdoor space once the sun goes down. As well as being practical, these warming lights can create a magical atmosphere in your garden.

Chimineas and firepits

Perfect for enjoying the warmth and ambience of a real wood fire on chilly summer evenings.

Grow your own

As well as saving you money on your weekly food shop, growing your own fruits and veggies is a great way to connect with nature. Whether it's a few fresh herbs or a whole vegetable patch, getting started is easier than you think.

Get inspired

From greenhouses and growhouses to seeds and bulbs, we've got everything you need to start growing your own. For more inspiration or for help getting started, visit your local B&Q garden centre.

verve RECOMMENDS

Raspberry

Grown without the use of synthetic chemicals, these plants are best planted in the ground or a large container.

Tomato 10.5cm pot

A collection of super tasty tomato varieties that are perfect for growing in a growbag or large container.

Strawberry 6 pack

An ideal addition to any garden or balcony. They grow in most outdoor spaces and are easy to look after.

Garden power tools

Keep your outdoor space neat and tidy with our range of garden power tools, including petrol, corded and cordless styles. From lawnmowers and trimmers to pressure washers and accessories, these tools make garden maintenance easy.

Battery system

Battery system power tools offer great flexibility, allowing you to move around freely without worrying about things like extension cables and outside power sources. Powered by a battery, these tools produce fewer emissions than petrol tools, and require less maintenance.

Corded

Lightweight and easy to use, corded power tools are an affordable and low-maintenance way to keep your garden tidy. Powered by electricity, these tools don't need fuel or charging, so they can be used for as long as you need them.

Petrol

Petrol power tools offer more power than corded and battery system tools, making them ideal for tackling overgrown grass and navigating rough terrain. This extra power also means they work through tasks quickly and easily, making them a great choice for larger gardens.

Choose your perfect mower

With the different power types and range of features available, it can be difficult to decide which lawnmower is right for you. Start by working out how big your lawn is, then look at the cutting width of each lawnmower. Wider cutting widths will help get the job done quicker, which is great if you have a large area to mow.

Mower types

Hover

Hover mowers are a type of rotary mower that hovers just above the grass surface. They work by creating a cushion of air, meaning they can simply be swept across the lawn. These mowers are lightweight and easy to manoeuvre, making them great for flower beds and borders.

Rotary

Rotary mowers are the most common type of lawnmower. Featuring a blade that rotates on a horizontal plane, these mowers cut grass quickly and effectively. They're durable and easy to use, and can be used on a range of grass types, including longer and rougher patches.

Petrol rotary

Powered by a petrol engine, petrol rotary mowers tend to be more powerful than standard rotary mowers, making them ideal for tackling larger lawns and thick, overgrown grass.

Robot

Take the effort out of garden maintenance. Designed to cut your grass automatically, robot mowers use either a perimeter wire or inbuilt sensors to navigate around your garden, avoiding any obstacles. To explore our range of robot mowers, please visit diy.ie

Ride-on

Perfect for big gardens, ride-on lawnmowers give you the freedom to sit back and mow large areas of grass with ease. Powered by a petrol engine, these mowers are available with a range of engine sizes. To explore our range of ride-on mowers, please visit diy.ie

Good to know

Nearly all mowers let you adjust the cutting height to suit different seasons and styles of lawn.

It's important to change the cutting height to help keep grass in good condition.

Corded lawnmowers

Ideal for small to medium-sized gardens, corded lawnmowers give you the freedom to mow for long periods, without topping up the fuel or recharging the battery. They're also lightweight and easy to use, and are a lot quieter than petrol mowers.

Drought tolerant

South-facing gardens, especially those away from towns and cities, can be very bright and sunny – which some plants love. Choose Mediterranean natives or plants adapted to hot, dry conditions to create a vibrant garden packed with colour all year round.

Get inspired

Plants that thrive in soil that's naturally parched and free draining include olive trees, irises, lavender, and herbs like rosemary, sage or thyme. Give your plants a helping hand by adding a 5-6cm covering of gravel around them to help them hold onto moisture.

verve RECOMMENDS

Trachycarpus fortunei

The fan-shaped leaves of this palm bring an exotic look to a border. Tolerant of dry soil, it requires little maintenance and will live happily planted in the ground or in a container.

Festuca intense blue

Best positioned in a sunny location to bring out its intense blue colour. Festuca is undemanding, working well in a border or planted in a container.

Gaillardia

Large daisy-like flowers add warmth and colour to a border. The bright yellow-orange blooms attract bees and butterflies.

Lawn care

Keep your lawn in top condition with our range of lawn feed, patch repair and weedkillers, designed to support greener and healthier grass.

Westland wheeled drop spreader W630 x H240mm. Ideal for even and precise application of lawn seed. Green plastic 5023377847592 **€53**.

Lawn seed

Verve shady lawn seed

0.5kg covers 20 sq.m.

500ml
Treats 6400 litres of water.
Prevents unpleasant odours and unsightly scum.
Safe non-toxic treatment.
5010646046633
€13

Water butt tap
5012079802060
€8

Saving water

Use a water butt to collect rainwater. The average roof collects 85,000 litres of rain a year, enough to fill a water butt over 450 times. Rainwater is also softer and contains fewer nitrates, salts and chemicals than tap water, making it great for your garden. You could also install a drip irrigation system, which distributes water directly to the roots of your plants.

Claber RainJet irrigation controller

One-way battery-powered water timer. Three buttons for easy programming. Large display with easy-to-understand symbols and numbers.

8000625084128

€87

Attracting wildlife

Create a thriving ecosystem by inviting wildlife into your garden. Consider building a shelter for hedgehogs, adding a bird box or table, and incorporating pollinator-friendly plants to encourage bees.

Go chemical-free

For many years we've tended our gardens with chemical help from insecticides and weed killers. This has upset nature's perfect balance, with bees and butterflies suffering as a result. Organic gardening, without chemicals, helps to restore that precious balance.

What do bees and butterflies need to thrive?

Butterflies need places where they can lay their eggs and where their caterpillars can feed. This could be anything from long grasses to nettles, holly, ivy or thistles. Meanwhile, bees love the nectar-rich flowers of thistles and other 'weeds'.

verve RECOMMENDS

Buddleia

Buddleia is the perfect food stop for butterflies. The colour and scents brings interest to the garden whilst offering much needed nectar for insects.

Rudbeckia

Rudbeckia provides food for pollinators such as bees and butterflies in summer and autumn. Leave flowers to develop seed heads, which provide food for birds in winter.

Salvia

Loved by bees, the nectar-rich flowers are a haven for these insects. Best planted in a sunny location.

Wooden decking

Wooden decking is perfect for creating simple, modern designs in your garden. Made from sustainably sourced wood, the boards are long-lasting and easy to paint.

1

Which wooden deck board is right for me?

UC3

Suitable if timber won't be in direct contact with the ground (e.g. decking boards and fence panels). Long lasting, but any cut sides need to be protected with preservative.

UC4

Suitable if timber will be in direct contact with the ground and/or fresh water (e.g. decking joists and fence posts). Longer lasting and more durable than UC3.

2

Metal fencing	187
Trellis	188
Garden colour and protection	189

Choose your fencing

As well as securing your outdoor space, fencing can add to your garden's overall style. Whether it's a sleek composite fence or a traditional wooden style, our range of fencing and screening includes everything you need to create the perfect perimeter for your garden.

Composite

Made from a combination of reclaimed wood fibres and recycled plastic, composite fencing is an eco-friendly alternative to wood fencing. The finish is sleek, lightweight and incredibly durable.

Wood

For a traditional feel, you can't go wrong with a wooden fence. This versatile fencing can also be customised, by staining to enhance the wood grain or by painting the boards to add a splash of colour.

Wire

Wire fencing is a quick and easy way to divide and secure your garden. Its versatility makes it great for protecting plants, containing animals, adding security and encouraging climbing flowers.

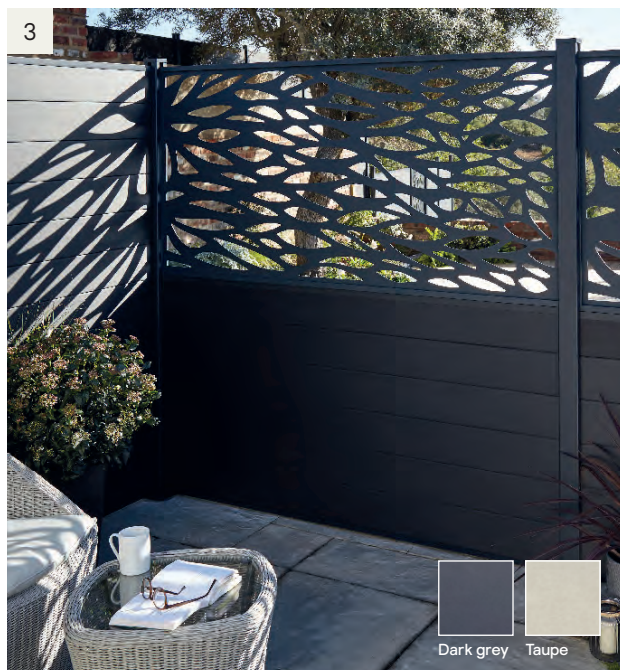

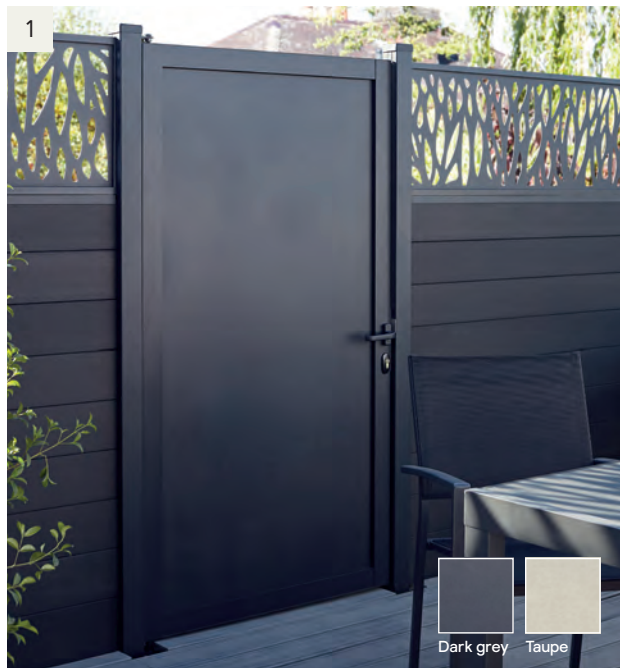

Screening

Often used in combination with traditional fencing, screening is a great way to add extra privacy to your garden, or for making an existing fence feel more stylish.

Neva composite fencing

With its contemporary design, Neva composite fencing can be customised to suit any garden and create something truly unique.

Garden buildings

Summerhouses	194
Garden offices	195
Garden bars	196
Garden arches	197

Choose your garden building

Whether it's a space to host or a quiet place to work, garden buildings are a great way to add an extra room to your house. Discover our versatile range of outdoor buildings, from relaxed summerhouses to stylish arbours.

Summerhouses

Thanks to their solid construction, summerhouses can be used all year round, making them great spaces for entertaining. And with a variety of sizes available, there's something for even the smallest garden.

Garden offices

Skip the commute and work from your garden. Perfect for busy households, these versatile garden offices give you a relaxed space to feel productive, away from the hustle and bustle of the rest of the house.

Garden bars

Bring the pub to your back garden with your very own garden bar. From full-sized bars to fold-down styles for balconies, these stylish spaces are great for parties.

Garden arches

Arches make a beautiful focal point in your garden. Choose a simple timber style, or opt for a lattice design to provide a home for climbing plants.

Summerhouses

Exterior paint mixing

Find the perfect colour and finish for your project. Choose from 2000 pre-selected colours or get your own colour matched shade created for your decking, fencing and furniture by visiting our paint mixing desk.

Choose your wooden shed

Step 1: Choose your size

Our sheds come in a range of sizes starting from 4 x 3ft, to fit all gardening and storage needs. Visit diy.ie for our full range.

Step 2: Choose your roof style

Apex or pent.

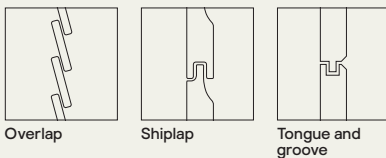

Step 3: Choose your cladding

For wooden sheds only, we offer three types of cladding.

Overlap - boards overlap to ensure water run-off.

Shiplap - interlocking boards with a shiplap profile.

Tongue and groove - tight-fitting tongue and groove boards offering wind and rain protection.

Step 4: Choose your treatment

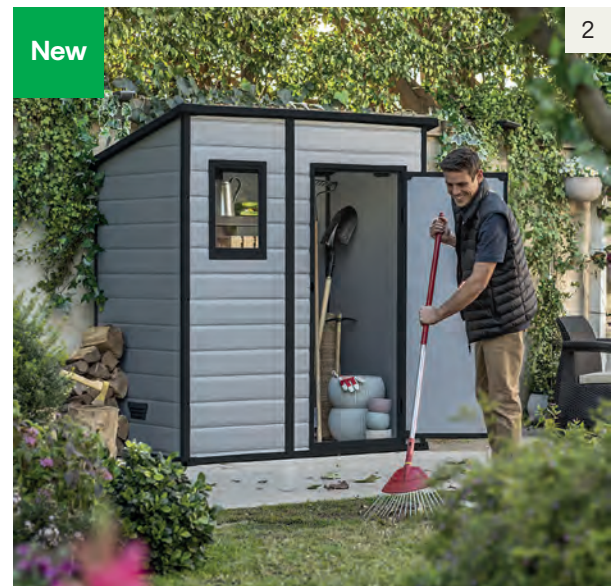

For wooden sheds only, we offer two types of treatment.

Dip-treated - surface short-term protection against rot.

Pressure-treated - penetrative long-lasting anti-rot treatment.

Resin sheds

Low maintenance and weather resistant, these sheds look great with minimal effort.

1. Klikstrom 4 x 3 apex shed

4 x 3ft

W1030 x H1960 x D630mm

Durable exterior panels made from fade-free, weather-resistant resin. Floor panel included.

Helping you shop

From ordering and delivery to flexible finance options, we're here to help you create a home you love. For our full terms and conditions, please visit our website at diy.ie. Your consumer rights are not affected.

Pay monthly with hummm®

To find out more visit diy.ie/humm

*Fees, Terms and Conditions and minimum credit criteria apply. Subject to credit assessment and approval. humm is underwritten by FlexiFi Europe Limited, Company Number: 600124. Flexifi Europe Limited, trading as humm is regulated by the Central Bank of Ireland. See humm.ie for more details.

Click + Collect

Click + Collect is a service that allows you to choose and pay for your products at diy.ie and then collect them from your local store.

Once you've placed your order, we'll tell you what time your order will be available to collect from. Find out more about when your order will be ready for collection on our Click + Collect page on diy.ie/customer-support/click-collect. If you don't collect your order straight away, we'll hold it in store for you for 7 days. If it's not collected after 7 days, we'll automatically return it and process a refund.

Selected products are not available as part of our Click + Collect service. Restrictions apply. Check diy.ie for availability and further details.

Bulk delivery service

During checkout you will be automatically allocated the next available delivery date. If this is not suitable you can simply change the date by clicking the 'change date' button. A window will open with all available delivery dates for the next two weeks. Choose a new date to apply this to your order.

Delivery days are classified as Monday to Friday 8am to 6pm. Delivery days exclude Bank Holidays. Delivery times effective following receipt of your order from B&Q.

Minimum order value €100 across any combination of bulk-delivered products. Subject to delivery requirements. Our bulk delivery service is currently only available in Dublin and the surrounding areas. Check diy.ie/customer-support/terms-and-conditions for further details.

PLEASE DO NOT PLACE AN ORDER IF YOU ARE NOT CONFIDENT THAT THE DELIVERY LOCATION COMPLIES WITH THE FOLLOWING REQUIREMENTS:

1. We're able to deliver goods to selected Ireland Eircode destinations. Restrictions apply. Please call 1800 860 560 or ask in store for details.
2. The delivery vehicle used by B&Q is a similar size to a double decker bus and requires sufficient space for products to be unloaded using a crane.
3. Deliveries won't be made where the ground condition is uneven, not suitable to unload or likely to cause damage to the vehicle. Deliveries are to kerbside only and orders will be cancelled if the delivery vehicle is unable to safely access the delivery location.
4. We won't leave products on public property unless written consent is provided by the relevant authority confirming agreement of delivery to location.
5. A signature is required on delivery. However, goods can be left without being signed for when a prior arrangement has been made between B&Q and the customer. B&Q won't accept responsibility for goods which are lost or stolen after they've been delivered in accordance with any prior arrangement.

Replacement products

Should the goods supplied be faulty or damaged, either inform the driver or, if the driver has left the delivery location, call 1800 860 560 or contact your local store to arrange replacement goods.

B&Q will aim to replace faulty goods within two working days of you notifying us.

Terms and conditions

Ordering and delivery

Available for home delivery

Selected items are available to order for delivery direct to your home. Restrictions apply. Delivery charges may apply. See diy.ie for further details. When buying at diy.ie we'll tell you the delivery time during the checkout. If ordering in store please ask.

Store delivery service

If you're not able to get your items home from store, why not use our store delivery service? This service enables you to have your items delivered to the ground floor room of your choice in your home. Ask your local store for details on their delivery area. Charges may apply.

Ordering and delivery FAQs

Will all my home-delivered items arrive together?

If you are ordering more than one item, please be aware that items may not be delivered together. Check the details provided at the checkout.

If ordering multiple items, please be aware that these may be grouped together for a single delivery. The delivery date will be based on the product with the longest timescale shown.

If your order contains large delivery items, as well as standard delivery items, you'll be charged for large delivery. If your order contains bulk delivery items, as well as standard and/or large delivery items, you'll be charged for bulk delivery. Your order will only have one delivery charge.

Do you deliver to my address?

We're unable to deliver online orders from diy.ie outside of the Republic of Ireland. Bulk delivery is currently only available in Dublin and the surrounding area, see diy.ie/customer-support/delivery for list of areas.

Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know in your confirmation email.

When will my home delivery order arrive?

For the majority of products on diy.ie, we'll be able to advise of your delivery date in your order confirmation email. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date. Deliveries may be made between 8am and 6pm.

What is bulk delivery?

Our bulk delivery service allows you to order big and bulky items, including aggregates, decking and paving, for delivery to home or site.

Find out more on our bulk delivery page at diy.ie/diy/bulk-delivery, call us on 1800 860 560 or speak to a member of staff in store.

I want to order less than €100 worth of bulk-delivered products. What can I do?

We're only able to offer bulk delivery on orders over €100. You can add a combination of several bulk-delivered products with a total value of €100 or more to your basket to reach this total.

Can I talk to someone about my bulk delivery order?

Our bulk delivery team can help you with any questions. Call us on 1800 860 560.

Lines are open Monday to Saturday 8am to 8pm and Sundays 10am to 4pm. Calls are charged at a national rate.

When can I collect my Click + Collect order?

Once you've placed your order we'll tell you what time your order will be available to collect from. Find out more about when your order will be ready for collection on our Click + Collect page on diy.ie/customer-support/click-collect

If you don't collect your order straightaway, we'll hold it in store for you for 7 days. If it's not been collected after 7 days, we'll automatically return it and process a refund.

Where do I collect my Click + Collect order from?

Your Click + Collect order will be available at the Click + Collect point in your chosen store. Look for the Click + Collect signs in the checkout area.

About our products

All products are subject to availability.

All prices are correct at the time of going to press and may be subject to change. Whilst we try to ensure accurate colour representation, please be aware that the photographic process may sometimes alter colours. Some items in our photographs are included for display purposes and are not necessarily intended to be installed as shown with regard to proximity. Please refer to the instructions supplied with your product before installation. A summary of this price guide is available in Braille, large print or on audio cassette. Please ask at your local store for more details.

Finance

Fees, Terms and Conditions and minimum credit criteria apply. Subject to credit assessment and approval, humm is underwritten by Flexifi Europe Limited, Company Number: 600124. Flexifi Europe Limited, trading as humm is regulated by the Central Bank of Ireland. See humm.ie for more details.

Doing your bit

Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in any of your household wheellie bins. WEEE is taken back free of charge at electrical retail outlets on a one-on-one like-for-like basis. There is a container for small waste batteries in your local store. Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 90 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

Ways to return your items

In the first instance, return via home delivery or diy.ie

Contact us on 1800 860 560.

Lines are open 8am-8pm Monday to Saturday and 10am-4pm Sunday.

Email us at home.delivery@b-and-q.ie

Write to us at B&Q Customer Services Centre, 6th Floor, 2 Grand Canal Square, Dublin 2.

Alternatively, return your items to your local B&Q store

You'll need to take the product, your receipt/sales advice and the debit/credit card you used for payment with you.

Contacts

If you would like to leave feedback about your experience in our stores please let us know.

Email us

You can contact us using our customer support form at diy.ie

Call or write to us
