PICK THE RIGHT PRODUCT FOR YOU...

GARDEN STAIN

page 39

Garden stain gives a rich colour and will protect your garden furniture from the sun and rain year after year, after year.

GARDEN OIL

page 40-41

Garden oil nourishes and waterproofs your wood with a light tinted finish. You'll need to use it once a year.

GARDEN PAINT

page 42-43

Garden paint adds colour and protection to just about anything in your garden – wood, brick, terracotta and metal.

BEFORE YOU START, DON'T FORGET TO PREP...

GARDEN FURNITURE CLEANER

Easily removes moss, mould and algae from your garden furniture. Suitable as a regular furniture cleaner or as prep before you apply a stain or oil.

GARDEN FURNITURE STRIPPER

Excellent at removing unwanted stains, oils or paints from your outdoor furniture. It can be used to prep your garden furniture ready for a fresh coat and helps it look its best for longer.

HARDWOOD GARDEN FURNITURE RESTORER

Transform worn grey wood back to its natural colour. It's fast-acting and will bring your wood back to life in just 15 minutes. Use it before staining or oiling for the best possible finish.

GARDEN FURNITURE PROTECTOR

Clear protection for your garden furniture.

Our Garden Furniture Protector does just that – it protects. It waterproofs wood to help stop splitting caused by rain. It'll darken your wood slightly, but that's because we've put UV filters in it, this stops the sun turning your furniture grey.

- Waterproofs wood
- Resists cracking & peeling
- Helps stop greying
