Chalky Finish Wall Paint **Antique White**

CHALKY FINISH WALL PAINT

125ml & 2.5L

A luxurious and durable flat matt finish for ceilings and interior walls. Highly resistant to scuffs and stains, the water-based formula has virtually no odour and can be applied directly to most substrates including plaster, brick and concrete in any room in your home.

- Class 1 scrub rated for easy cleaning.
- Scuff and stain resistant.
- Ultra durable, matt finish.
- Exceptional coverage - no need for several coats.
- Coverage: Up to 12m²/L per coat.

CHALKWASH PAINT

125ml & 2.5L

A unique brushed matt finish that adds a natural character to interior walls. Designed to be applied with a wide brush at alternating angles, it produces a shaded brushed appearance that reveals various colour tones. Soft and soothing for the eyes, it is highly durable and washable.

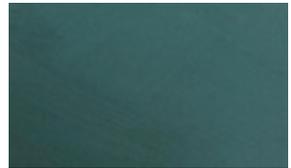

- Create a brushed matt effect by simply applying in criss cross strokes.
- Easy application.
- Excellent coverage.
- Coverage: Up to 11m² / L per coat.

HOW-TO APPLY CHALKWASH PAINT

For the first coat, apply Chalkwash paint to the entire wall with a roller.

For the second coat, apply the Chalkwash with a wide, soft brush at alternating angles in a "criss-cross" manner.

Chalkwash Paint **Charcoal**

Chalky Finish Wall Paint **Graphite**

A photograph of a light green ceramic vase with vertical ridges and dark blue horizontal bands. The vase is filled with several stems of eucalyptus branches with silvery-green leaves. The vase sits on a light-colored wooden surface. The background is a textured teal wall. The entire scene is framed by a white border.
