Welcome wildlife to your garden with a Cuprinol Garden Shades painted birdbox that feels like a natural habitat, choosing shades from Cuprinol Nature's Neutrals range. These colours are inspired by foliage and organic materials and allow projects big and small to blend with the beauty you find outdoors. Earthier and greener tones work best for larger elements such as fences, decking and pergolas but never be afraid to try a colour pop. A joyful colour on your bird box would be a good place to start!
