#### Advice from Crown.

If you are using more than one pack of paint of the same colour, in the same area, mix together in a large container to ensure you get consistency of colour. Some colours may require additional coats to give complete coverage. We make every effort to ensure perfect colour reproduction, but owing to print limitations the colours may not match exactly. Please check for colour accuracy prior to application. Crown Paint is not liable for decorating costs caused as a result of an incorrect colour being applied. In line with our policy for continuous improvement Crown Paints Ltd reserves the right to alter product specification without notice.

Keep Ireland Green. Please recycle after use.
