Style and **inspiration**

Classic

Characterised by traditional features, these kitchens are warm, welcoming and timeless. Combine neutral tones with decorative touches such as shaker doors and Belfast sinks to create an elegant space you'll love spending time in.

Modern

Modern kitchen styles can be an affordable choice, while still feeling incredibly luxurious. Pair rich, dark tones with warm lighting and statement worktops for a contemporary kitchen that catches the eye.

Scandi

Transform your kitchen into a cosy retreat with a mix of soft greens, pale hues and timber accents. Inspired by nature, this calming style blends functionality with natural textures for a calming feel.

Maxi

Celebrate your individual style with a kitchen that's eclectic, vibrant and full of character. From bold colours and contrasting patterns to the statement features that make it yours, this style is all about showcasing your personality.

Door styles

From classic shaker to contemporary slab options, kitchen doors are a great way to showcase your style. Each door is available in a wide range of colours and finishes, ready to be customised with a selection of compatible handles.

Slab doors

Slab doors and drawer fronts are clean and simple, offering the perfect blank canvas for a modern look. Pair with a bar handle for a contemporary feel, or use cup and knob handles to make it more classic.

Rivero natural oak and Stevia gloss white slab door

Ashmead matt reed green shaker door

Shaker doors

Shaker doors consist of a four-piece frame with a recessed centre panel, giving the effect of a more traditional door style. Versatile and timeless, these doors can be incorporated into both classic and contemporary kitchens, with a range of colours and finishes to choose from.

Integrated J-pull handles

Our Garcinia doors feature a J-shaped curve, perfectly shaped to pull open – creating a clean, handleless effect.

Garcinia gloss sandstone slab door with integrated handle

Innovo handleless rail system

By creating a space behind the door or drawer, the Innovo handleless rail system allows you to open them from above or the side.

Available with our Alisma, Stevia, Artemisia, Ethos and Rivero ranges.

Solid wood worktops

All our solid wood worktops are made from responsibly sourced wood. They're designed with an ultra smooth surface and are pre-oiled for defence against moisture and stains.

How to finish your wood worktops

Prepare: Wearing protective gloves, lightly sand the work surface – we recommend 120 grit sandpaper. Vacuum any dust shavings and then mix a cleanser with water to clean the surface.

Treat: When the surface is completely dry, use a clean paintbrush to apply the oil evenly and leave for 30 minutes. Buff the surface with a soft pad and wipe off any excess oil with a lint-free cloth. Leave to dry for at least an hour.

Finish: Apply another even coat of oil. Sand in the wet oil with a 280-400 grit black sanding pad. Wipe off any excess oil with a lint-free cloth.

Aftercare: The surface is ready for light use after 24 hours. The oil will continue to harden over the next week, so use the surface lightly during this time. Any spilt liquids should be wiped up immediately to avoid watermarks.

COSENTINO®

In 2008, Cosentino embarked on an evolutionary journey towards creating products that have a more positive impact on the world around us.

More sustainable and carbon neutral, with higher percentages of recycled materials and a longer life cycle. Cosentino uses renewable electricity in their manufacturing, making the most of every drop of water, reusing it time and time again. Cosentino transports them in an increasingly cleaner and efficient way.

Giving it all in exchange for a better future for all.

Cosentino promotes the efficient use of natural resources and encourages the use of renewable energy to reduce its carbon footprint.

Cosentino reduces its Organizational Carbon Footprint by mitigating emissions and transforming them into added value through offset projects.

Cosentino recycles and reuses water, thus reducing its water footprint.

E-Smart mobility is Cosentino's plan to measure and optimise its logistics routes and the mobility of its employees.

Look out for this symbol Q+ amongst the Silestone swatches. These worksurface materials are all manufactured using HybriQ technology. These worksurfaces are made through a manufacturing process completely fuelled by renewable energy and recycled water.

Ordering & delivery FAQs

Will all of my home delivered items arrive together?
You can select the same delivery date for several products at the checkout at diy.com. However, items delivered by different partners may arrive separately and at different times.

Do you deliver to my address?
We're currently unable to deliver online orders to the Republic of Ireland, Jersey, Guernsey, Isles of Scilly, Scottish Islands (including Isle of Skye, Isle of Arran, Isle of Colonsay, Isle of Cumbrae, Isle of Jura, Isle of Coll, Isle of Eigg, Isle of Rhum, Isle of Canna), Orkney Islands, Outer Hebrides and BFPO addresses.

Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?
Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know before you check out and in your confirmation email.

When will my home delivery order arrive?
For the majority of products on diy.com, we'll either be able to let you know, or let you choose, a delivery date before you check out. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date.

Deliveries are made between 8am and 6pm.

When can I collect my Click + Collect order?
If you order before 7pm Monday to Friday or 4pm Saturday and Sunday, your Click + Collect order will be available from 1pm the next day in your chosen store.

Please note that we have some stores where your order will take two days to be ready and can then be collected after 6pm (this includes stores in Northern Ireland and on the Isle of Man, please see diy.com/click-collect for the full list).

Find out more about when your order will be ready for collection on our Click + Collect page on diy.com/click-collect

If you don't collect your order straight away, we'll hold it in store for you for 7 days. If it's not been collected after 7 days, one of our team will be in contact with you.

Where do I collect my Click + Collect order from?
Your Click + Collect order will be available at the Click + Collect point in your chosen store. Look for the Click + Collect signs in the checkout area.

See diy.com/customer-support/policies/terms for full guarantee T&Cs.

Doing your bit

The UK's Waste Electrical and Electronic Equipment (WEEE) regulation aims to ensure the waste of electrical and electronic equipment is disposed of in an environmentally friendly way. You can take back any unwanted small electrical products, or if you've purchased a larger, like-for-like product from us, to a B&Q store free of charge. Where you've purchased a large like-for-like electrical product from us within 28 days, we can collect it for a fee per item by calling 0333 014 3529. Visit diy.com for more details.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 90 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected
If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

Ways to return your items
In the first instance, return via home delivery or diy.com

Contact us on 0333 014 3357.

Lines are open 8am-8pm Monday to Saturday and 10am-4pm Sunday.

Email us at home.delivery@b-and-q.co.uk

Write to us at B&Q House, Chestnut Avenue, Chandler's Ford, Eastleigh, Hampshire SO53 3LE.

Alternatively, return your items to your local B&Q store
You'll need to take the product, your receipt/sales advice and the debit/credit card you used for payment with you.

GoodHome is our product brand. It is a seal of quality, innovation and excellence. A number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand, but are still being supplied under their original Cooke & Lewis packaging for a short period. This is because, true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.
