Caraway Innovo corner units explained

Blind corner base cabinets are adjustable, allowing you to use different sized doors to offset your corner, helping with any obstructions during the planning process.

Dimensions shown are the cabinet height including legs at 15cm. Legs can be adjusted in height from 12.5cm to 19.5cm to allow for uneven floors. All fixtures including hinges, doors, end panels and handles need to be purchased separately.

Caraway Innovo base cabinets

These stylish cabinets pair perfectly with dedicated rails and come in a wide range of widths, which are compatible with standard, deep and internal drawers. Two corner options are available (blind or L-shaped). **Home delivery only.**

Base cabinets

All base and larder cabinets must be fitted with battens between cabinet and wall to accommodate hob installation.

Gas and electrical regulations

CE marking on a product is the manufacturer’s declaration that the product complies with relevant conformity requirements of applicable European legislation. The UKCA mark is the UK’s new symbol to show that products comply with applicable UK regulations.

Choosing an NICEIC or ELECSA registered contractor is a householder’s best way to ensure the job is carried out safely. Electricians registered with NICEIC and ELECSA are assessed on a regular basis to ensure high standards and their work is checked against the IET Wiring Regulations, as well as other standards.

Any gas work must be carried out by a Gas Safe registered engineer.

Remember

- Hobs should have a minimum of 30cm work surface either side (ideally 40cm either side of an electric hob and 50cm either side of a gas hob)
- Ovens shouldn’t be located near entrances or where there is through traffic
- Electrical sockets can’t be fitted within 30cm of a sink
- Ovens should be separated from adjacent walls or end panels by at least 30cm
- Gas hobs can’t be fitted within 30cm of any window and electric hobs within 5cm.

Ordering and delivery FAQs

Will all of my home delivered items arrive together?

You can select the same delivery date for several products at the checkout at diy.com. However, items delivered by different partners may arrive separately and at different times.

Do you deliver to my address?

We're currently unable to deliver online orders to the Republic of Ireland, Jersey, Guernsey, Isles of Scilly, Scottish Islands (including Isle of Skye, Isle of Arran, Isle of Colonsay, Isle of Cumbrae, Isle of Jura, Isle of Coll, Isle of Eigg, Isle of Rhum, Isle of Canna), Orkney Islands, Outer Hebrides and BFPO addresses.

Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know before you check out and in your confirmation email.

When will my home delivery order arrive?

For the majority of products on diy.com, we'll either be able to let you know, or let you choose, a delivery date before you check out. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date.

GoodHome is our product brand. It is a seal of quality, innovation and excellence. A number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand, but are still being supplied under their original Cooke & Lewis packaging for a short period. This is because, true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.
