# Solid wood worktops

All our solid wood worktops are made from responsibly sourced wood. They're designed with an ultra smooth surface and are pre-oiled for defence against moisture and stains.

## How to finish your wood worktops

**Prepare**
Wearing protective gloves, lightly sand the work surface – we recommend 120 grit sandpaper. Vacuum any dust shavings and then mix a cleanser with water to clean the surface.

**Treat**
When the surface is completely dry, use a clean paintbrush to apply the oil evenly and leave for 30 minutes. Buff the surface with a soft pad and wipe off any excess oil with a lint-free cloth. Leave to dry for at least an hour.

**Finish**
Apply another even coat of oil. Sand in the wet oil with a 280-400 grit black sanding pad. Wipe off any excess oil with a lint-free cloth.

**Aftercare**
The surface is ready for light use after 24 hours. The oil will continue to harden over the next week, so use the surface lightly during this time. Any spilt liquids should be wiped up immediately to avoid watermarks.

**Will all of my home delivered items arrive together?**
You can select the same delivery date for several products at the checkout at diy.com. However, items delivered by different partners may arrive separately and at different times.

**Do you deliver to my address?**
We're currently unable to deliver online orders to the Republic of Ireland, Jersey, Guernsey, Isles of Scilly, Scottish Islands (including Isle of Skye, Isle of Arran, Isle of Colonsay, Isle of Cumbrae, Isle of Jura, Isle of Coll, Isle of Eigg, Isle of Rhum, Isle of Canna), Orkney Islands, Outer Hebrides and BFPO addresses.

Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

**Can B&Q let me know the time of my delivery?**
Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know before you check out and in your confirmation email.

**When will my home delivery order arrive?**
For the majority of products on diy.com, we'll either be able to let you know, or let you choose, a delivery date before you check out. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date.

GoodHome is our product brand. It is a seal of quality, innovation and excellence. A number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand, but are still being supplied under their original Cooke & Lewis packaging for a short period. This is because, true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.
